STARTING ORDER

The Draw of the lots for the Starting order has been done by the Definitive entries.

The Starting order will be established after the Nominative entries and confirmed after accreditation of the delegations.

The UEG TRA-TC reserves the right to make the adjustments (groups and the number of competitors per group) depending on the number of competitors after the Nominative entry and/or after accreditation to facilitate the running and organisation of the competition.

Federations who have registered full teams, but arrive with individuals only, do not automatically have the right to maintain their team's starting position.

In the case of the lack of teams in the category the respective team competition will be cancelled.
